Next Meeting

Wednesday August 1, 2007

7:30 P.M. at

**The Benton County Fair
(around the Heritage Bldg)**

From The Prez

Hello folks,

Our next meeting will be at the Benton County Fair by the Heritage Building. This is where we will be doing our brewing demonstrations on Friday and Saturday. Last year we had a meeting there and I believe people brought beer to try. I am not sure if bringing your own homebrew to drink at the fair is permissible, but at the same time I don't believe the fair folks have ever addressed homebrew drinking at the fair. Bring discreet packaging and drinking containers when entering the fair and I am sure it will be all right. We will discuss the home brewing demonstrations at the fair on Friday and Saturday at the meeting. The club will reimburse half of the cost of brewing ingredients for any members who will be brewing at the fair. Anyone can brew at the fair, the more the better. All we ask is that a

12 pack or equivalent will be set aside for a Cloudy Town Brewers Oktoberfest party we will hold later. We can discuss that at the meeting also.

See you at the fair!

Cheers,

Bruce LeBlanc

Home Remodeling?

Anyone want an insulated closet type apparatus for fermenting beer? Cody Winter has an insulated and heated "fermenting closet" that he wants to get rid of. For free. He said it works great in the winter for both lagers and ales, I believe its thermostatically controlled. Call Cody at 282-0542.

See you all at the fair/meeting! Bring a friend they'll thank you for it. (Bruce will buy you a beer!)
